

Building Health Workforce Capacity: nurses and midwives

**Elizabeth “Betty T. Jordan, DNSc, RNC
Assistant Professor
Johns Hopkins School of Nursing
Director of the Baccalaureate Program
Bloomberg School of Public Health (jt.)**

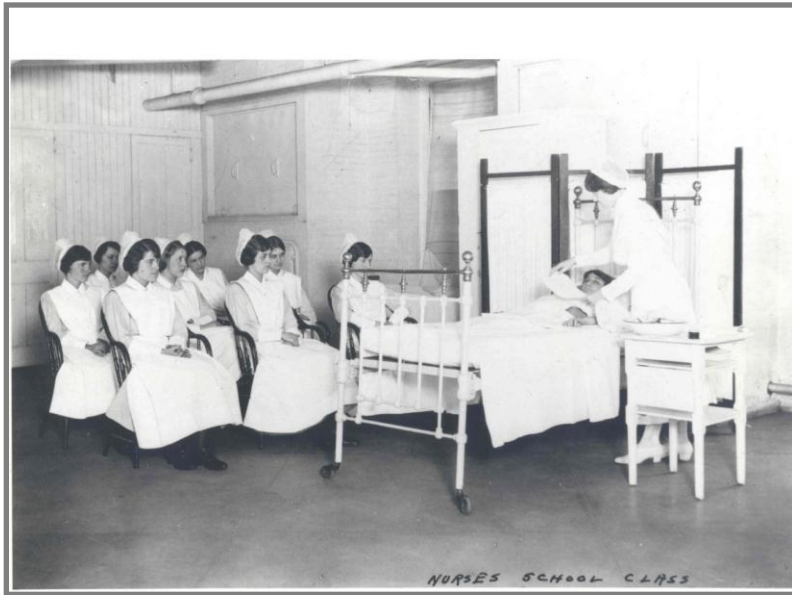

JOHNS HOPKINS UNIVERSITY

Global mHealth Initiative

Problem

- Poor image of nursing
- Issues related to gender equity

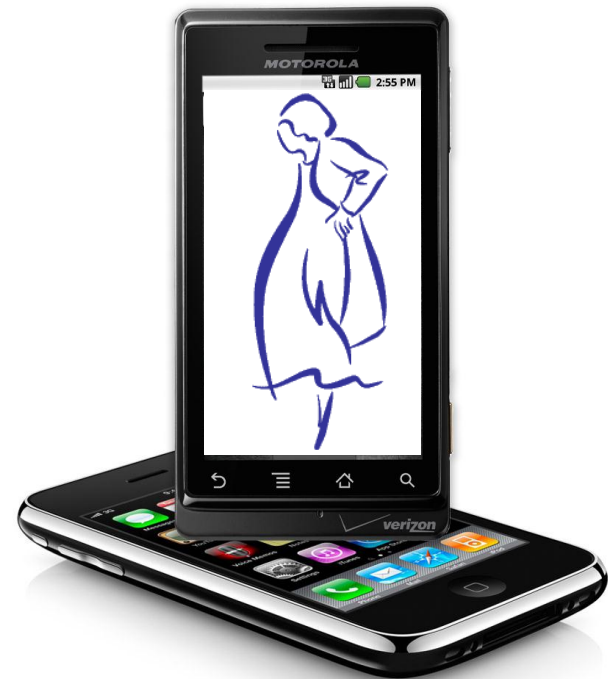

Resources

- Global Alliance for Nursing and Midwifery
 - An electronic community of practice

JOHNS HOPKINS UNIVERSITY

Global mHealth Initiative

Johns Hopkins Global Nursing

2 qualities remain constant:

- Pride in the profession
- Commitment to make a difference in the lives of people everywhere

- What do you think about building global nursing capacity?
- @BettyJordan3
- #nurseforce
