Carla Jean Pease Warnock is a missionary with the General Board of Global Ministries of The United Methodist Church assigned as nurse/medical coordinator of Global Ministries' Missionary Health Ministry Wellness Program. The Wellness Program provides assistance with and coordination of medical, emotional, and spiritual care for the agency's mission personnel.

Prior to this assignment, Carla and husband, Ted, also a missionary, served as coordinators of the United Methodist Volunteers in Mission (UMVIM) program in Port-au-Prince, Haiti.

"As the Wellness nurse/medical coordinator I am privileged to care for the awesome people who serve as United Methodist missionaries around the world," Carla says of her call to service. "Having been molded by the Great Potter, I am able to use my education and experiences in nursing, healthcare administration, in community and international mission, and in life to provide occupational and faith community nursing and nurture to our missionaries. I am privileged to be a missionary to our missionaries."

Carla holds a diploma in Nursing from the Robert Packer Hospital School of Nursing, Sayre, Pennsylvania. As a nurse, she has worked in diverse settings, including community health, intensive care, emergency department, outpatient settings, and healthcare management. While she and Ted were raising their two young daughters, Carla began course work that led to a BSPA/Healthcare Administration, a master's degree in Public Administration, and a Master of Science in Nursing/Parish Nursing. In addition to nursing, Carla serves as a volunteer instructor for the American Red Cross, an officer in the Civil Air Patrol, and a community nurse volunteer.

Carla and Ted's two daughters, now adults, are Cassandra and Ashley. The couple's son-in-law, Sam, was killed in action in Afghanistan in 2011. Two grandsons, Chad and Noah, keep them busy. The Warnocks are members of the Courthouse Community United Methodist Church in the Virginia Annual Conference.
