From Carla: Fall 2014 Abundant Joy

Fall Missionary Training In October, I was privileged to spend time with our newest missionaries at the fall training in Ecuador. The beauty of the mountains and flowers was enhanced by the loveliness of the people in the group. We worshiped, sang, prayed, dined, and learned together for a week. The "trainee" participants were from five different countries. On our day off, we traveled to the equator to learn more about Ecuador's history, people, and culture. This photo is of our group on the equator line. Names starting in the front: missionary Miguel Mairena, Ecuadorian UMC logistics person, Revs Alma and Richard Navarro, Claudete Mora, Young Seon Kim, me, Rev. Cathy Whitlatch, Global Ministries staff for Missionary Training, Adam Shaw, Tyrone LaValley (sunglasses), Richard Pusatari (red hat) GM staff for Itineration, and Rev. Pablo Mora.

Missionaries can Exercise and Earn \$\$ One highlight of this year has been the

implementation of the Virgin Plus Health Miles Program for the missionaries. The Global Ministries staff has had this program for a few years though the Board of Pension and Health Benefits Center for Health. It is a program that encourages and provides financial rewards for walking and all kinds of exercise with the goal of improving and maintaining health. We see the success, and competition, in our family already with Ted checking to see if he has accomplished his 10,000 steps per day!!
