

January to May 2014: Select Photos

Children looking on as we dedicate a new UMC clinic in Kindu, DR Congo.

New UMC clinic in Kindu, DR Congo.

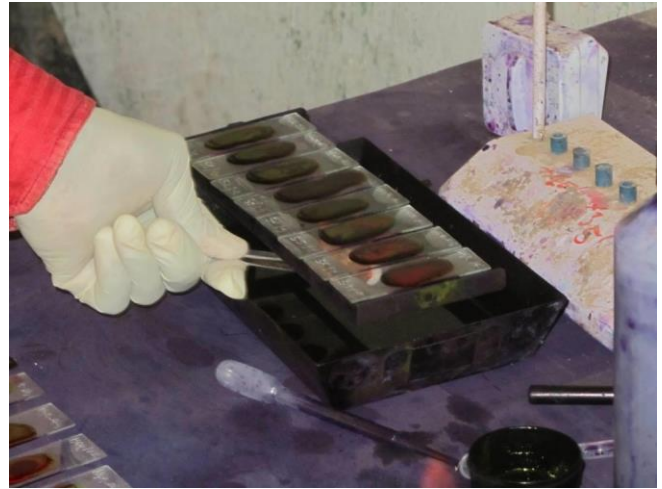

Woman and Child looking on as we dedicate a new UMC clinic in Kindu, DR Congo.

Congo River at Kindu, DR Congo.

February:

Malaria in the Kindu area is high. The number of slides to test for Malaria is in the hundreds. To speed up the drying process a technician preps the blood on a slide and then uses an open flame to speed up the drying process

March:

Susquehanna River just East of Windsor New York

Windsor UMC, Windsor New York

March – May Itineration – just a few photos:

Mayville UMC, Mayville, New York

Chamblee UMC, Chamblee, Georgia

Chamblee UMC – Sunday School Class – Explaining how nest provide protection from mosquitoes, Chamblee, Georgia

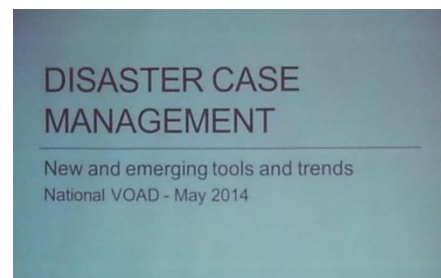

Conklin Forks UMC, Conklin, New York

May:
